6) Rules for parking are as follows:

- a) Driveways, sidewalks, entrances, exits, and common parking areas for all buildings must always be unobstructed for the free flow of emergency vehicles.

7) Rules for plantings, landscaping, and ornamentation are as follows:

- a) Shrubbery planted by the Homeowner's Association in the front planting beds will be maintained and mulched by the Association's landscaper. If a homeowner wants to change or add trees or shrubs in the front planting beds, they must obtain approval in writing by the Board of Managers through the submission of a Variance Request form before planting.
- b) No vines of any type can be allowed to climb the home, fence or storage shed or cross over to another property.
- c) All plantings, landscaping, and decorations inside the homeowner's patio fence enclosure are the sole responsibility of the homeowner. Any issues or damage caused by these plantings, landscaping, decorations, or tree roots will be the sole financial responsibility of the homeowner. It is recommended that trees planted inside the homeowner's patio fence enclosure must be no taller than the roof of the carport. The Board of Managers reserves the right to require the homeowner to trim or remove landscaping that poses a threat of damage to the siding, gutters, exterior walls, shed, or roofs of a unit.
- d) Rules for plantings in the common areas on the side of the home, the shed, or the fence are as follows:

 - ii) Maintenance and upkeep of these plantings are the sole responsibility of the homeowner, and any issues caused by these plantings, landscaping, decorations, or tree roots will be the sole financial responsibility of the homeowner.
 - iii) All plantings and their foliage must be kept at least twelve (12) inches from the unit or shed sides and must NOT create a hazard or additional expense to the Association, impede access to the common grounds, and/or become unsightly due to overgrowth and weeds. Plantings alongside the shed must not touch the shed.
- e) Birdseed feeders are permitted only on patios. They may **NOT** be placed in trees, flowerbeds, or common areas.

- 8) Homeowners, tenants, and residents must keep their unit's front stoop, storage shed, trash bin, carport, and patio to which they have sole access in a good state of preservation and cleanliness. Carports may **NOT** be used for storage. Recycled materials should be placed in clear plastic bags that are securely tied for pickup. Glass should be placed in a separate box or bag. Cardboard should be broken down and separated from other recyclables. Rinsed tin, plastic, and paper may be placed in the same clear plastic bag. No diapers or soiled food materials may be recycled.
- 10) Yard waste, including clippings from shrubbery and plantings, must be placed in **recyclable brown bags**. Metro will pick up these bags quarterly. Homeowners will be notified when Metro will pick up, and only at that time may the bags be set out on General George Patton Rd. or Sawyer Brown Rd. Information regarding pickup dates and rules are on the website for Nashville Public Works at <https://www.nashville.gov/Public-Works/Neighborhood-Services/Yard-Waste-Composting/Brush-Yard-Waste-Collection.aspx>. No lights of any sort are permitted to draw attention to the sign. Political signs must be removed within one (1) day of the election. No political sign may be displayed in any common area, on fences, or in carports.

13) River Plantation Section VIII, Phase II, can maintain a permit to operate its pool only if all homeowners, tenants, residents, guests, and family members obey the rules for using the pool. The rules for using the pool are as follows:

- i) No children under fourteen (14) years of age shall be inside the pool area without a supervising adult accompanying them.

- 14) Unattended dogs or cats may **NOT** be allowed to roam on the common grounds at any time. All pets should be leashed and must be under the supervision and control of the homeowner, tenant, or designated caregiver at all times. Pets are **NOT** to be tethered anywhere in the common areas, front doors, or porches. In consideration of all homeowners, it is mandatory that dog or cat owners clean up after their pets.
- 15) Play in the common areas must be kept clean of discarded water/drink bottles and snack food wrappers, as well as toys and sporting equipment. Any damage that occurs to landscaping or light posts as a result of play will be corrected or repaired at the homeowner's expense.
- 16) Homeowners, tenants, residents, and guests should not instruct or complain directly to any employees or contractors hired by the Board of Managers or the Management Company. Instead, complaints regarding service (including lawn service, trash removal, etc.) should be made to the Management Company or the on-site manager.
- 17) The Board of Managers reserves the right to make, amend, or repeal the Rules and Regulations from time to time as may be necessary for the safety, care, and cleanliness of River Plantation Section VIII, Phase II, in keeping with the By-laws. This includes, but is **NOT** limited to, the use of the pool, clubhouse, courtyards, common drives, parking areas, and all common grounds.
- 18) Open Board meetings will be held periodically at the clubhouse and are open to all homeowners or their representatives. All business will be conducted by the Board based on an agenda that is provided to homeowners approximately three (3) days before the meeting.

- 20) If a homeowner is in violation of a Rule or Regulation, the Board of Managers shall issue a fourteen (14) day warning to have the violation corrected. Some violations will be allowed more time to be resolved if the corrective action requires the services of an outside vendor. Homeowners should make contact with vendors promptly when receiving violation notice. The purpose of fines is to ensure compliance with all Section VIII Rules and Regulations, By-Laws and Master Deed. If after fourteen (14) days the violation has not been corrected or arrangements have not been made between the HOA Board of Manager and the Homeowner, a \$25 fine will be accessed to the Homeowner's Association (HOA) account. If the violation has not been corrected after an additional fourteen (14) days a second fine of \$50 will be assessed. Failure to comply after a second fine will result in a third fine of \$100. Failure to pay fines can result in liens against the owner. The Board of Directors is hopeful that fines will be a last resort remedy.

21) Rules regarding leasing are as follows:

- a) No unit shall be leased or subleased to any transient lessee or occupant, or to a lessee or occupant, for a term of less than one (1) year. This includes, but is not limited to, short-term leases through rental or leasing agencies or entities such as Airbnb®, VRBO®, or other similar online rental agencies, as well as agencies with actual physical locations.
- b) Units may be leased only in their entirety. No fraction or portion may be leased without prior written Board of Managers approval.
- c) Owners desiring to lease the entirety of their units for a period of one (1) year or longer may do so only if they have applied for and received a Leasing Permit, a Hardship Leasing Permit, an Exemption, or are grandfathered in pursuant to the By-laws. All Leasing Permits, Hardship Leasing Permits, or Exemptions shall be valid only as to the specific owner of a unit and shall not be transferable between either units or owners.

Leasing Permits shall be issued by the Board of Managers through the submission of a Request for Leasing Permit form. (The Request for Leasing Permit form is attached to these Rules and Regulations as Exhibit 4.) If a Request for Leasing Permit is denied, the unit owner will automatically be placed on a waiting list for the next available Leasing Permit. A Leasing Permit will be automatically revoked upon the following:
 - a) The unit owner fails to enter into a Lease Agreement within three (3) months of the Leasing Permit being issued;
 - b) If, between tenants, the unit remains unleased for a period of three (3) months; or
 - c) Ownership of the unit is transferred to another person or entity.
 - ii) Hardship Leasing Permits shall be issued by the Board of Managers through the submission of a Request for Hardship Leasing Permit form.

(The Request for Hardship Leasing Permit form is attached to these Rules and Regulations as Exhibit 5.) Lease Agreements are still required even if the unit owner does not require rent from the tenant(s). Hardship Leasing Permits shall be valid for a term not to exceed one (1) year and cannot be renewed or extended except for deployment of active military. Hardship Leasing Permits shall be automatically revoked if, during the term of the permit, the unit owner is approved for and receives a Leasing Permit.

- iii) A family exemption to the requirements that a unit owner must have continuously and physically resided in the unit for at least twelve (12) months prior to the request and current, outstanding Leasing Permits have not been issued for more than sixteen (16) units in the condominium complex will be made for unit owners who lease or permit an immediate family member (spouse, parent, sibling, or child) to live in the unit. Family exemptions shall be issued by the Board of Managers through the submission of a Family Exemption Registration form. (The Family Exemption Registration form is attached to these Rules and Regulations as Exhibit 6.) Family exemptions shall be renewed annually.
 - iv) A trust exemption to the requirements that a unit owner must have continuously and physically resided in the unit for at least twelve (12) months prior to the request and current, outstanding Leasing Permits have not been issued for more than sixteen (16) units in the condominium complex will be made for a unit owner that is a trust as of May 1, 2019. Trust exemptions shall be issued by the Board of Managers through the submission of a Trust Exemption Registration form. (The Trust Exemption Registration form is attached to these Rules and Regulations as Exhibit 7.) Trust exemptions shall be renewed annually.
- d) Notwithstanding the leasing requirements under the By-laws, leasing which is authorized pursuant to a Leasing Permit, Hardship Leasing Permit, Exemption, or Grandfather Provision, shall be governed by the following provisions:
- i) Leasing is defined as exclusive occupancy of a unit by any person other than the owner. Occupancy by a roommate of an owner who occupies the unit as such owner's primary resident shall not constitute leasing.
 - ii) There can be no subleasing of any unit or assignment of leases without prior written Board of Managers approval.

(The Lessee Registration form is attached to these Rules and Regulations as Exhibit 8.) Thereafter, a Unit Owner will submit an updated Lessee Registration form and a current copy of the Lease Agreement to the Board of Managers each time a Lease Agreement is executed or extended.

- vi) The Unit Owner must provide the lessee(s) copies of the Master Deed, By-laws, and the Rules and Regulations, together with all amendments. The Unit Owner shall cause all occupants of the Unit to comply with all rules contained in these documents, and the Unit Owner shall be responsible for all violations and losses to the Common Elements or Limited Common Elements caused by such occupants, notwithstanding the fact that such occupants of a Unit are fully liable. The Unit Owner's failure to adhere to these requirements may result in monetary penalties as determined by the Board of Managers. The Board of Managers may also suspend a Unit Owner's ability to lease his or her Unit for a period of twelve (12) months for failure to adhere to these requirements. When there is a violation by a lessee or a person living with the lessee of the Master Deed, By-laws, or the Rule and Regulations for which a fine is imposed, notice of the violation will be given to the Unit Owner as well as the lessee. A fine may be assessed against the Unit Owner's HOA account. Unpaid fines shall constitute a lien against the Unit. Lessee violations of Association Rules and Regulations and By-laws are grounds for eviction of the tenant. The Lease Agreement will specify that while landlords are responsible for ensuring that their tenants obey rules, the Board of Managers has the authority to evict tenants who violate the Association Rules and Regulations and By-laws, if the landlord fails to do so. The Board may assess the eviction costs, including but not limited to Attorney Fees, to the Unit Owner.

River Plantation Section VIII, Phase II, Request for Leasing Permit

I, _____ the Unit Owner, request a Leasing Permit for my Unit. I have continuously and physically resided in my Unit for at least twelve (12) months prior to this request. I anticipate entering into a Lease Agreement with a lessee within the next three (3) months. If I fail to lease my Unit within the next three (3) months, I understand that an issued Leasing Permit will be automatically revoked. I understand that if, between leases, my Unit remains unleased for a period of three (3) months, an issued Leasing Permit will be automatically revoked. I understand that my request for a Leasing Permit will be denied if Leasing Permits for more than sixteen (16) Units have been issued at the time of my request. I understand that permission to lease my unit is granted to me by the Board of Managers and is automatically revoked when ownership of my unit is transferred to another person or entity. I understand that if my request for Leasing Permit is denied, I will automatically be placed on a waiting list for the next available Leasing Permit.

Should my request for Leasing Permit be granted, I understand and agree to the following provisions governing the leasing of my Unit:

I understand that leasing is defined as regular, exclusive occupancy of a Unit by any person other than the Owner. Occupancy by a roommate of an Owner who occupies the Unit as such Owner's primary resident shall not constitute leasing.

I shall submit an initial Lessee Registration form and a copy of the proposed Lease Agreement to the Board of Managers no more than three (3) months and no less than ten (10) business days prior to executing or extending a lease. Thereafter, I will submit an updated Lessee Registration form and a current copy of the Lease Agreement to the Board of Managers each time a Lease Agreement is executed or extended.

I understand that Units may be leased only in their entirety. No fraction or portion may be leased without prior written Board of Managers approval.

I will provide the lessee(s) copies of the Master Deed, By-laws, and Rules and Regulations, together with all amendments. I understand that I shall cause all occupants of my

Unit to comply with all rules contained in these documents, and I shall be responsible for all violations and losses to the Common Elements or Limited Common Elements caused by such occupants, notwithstanding the fact that such occupants of a Unit are fully liable.

I understand that my failure to adhere to these requirements may result in monetary penalties as determined by the Board of Managers. The Board of Managers may also suspend my ability to lease my Unit for a period of twelve (12) months for failure to adhere to these requirements.

I understand that when there is a violation by a lessee or a person living with the lessee of the Master Deed, By-laws, or Rules and Regulations for which a fine is imposed, notice of the violation will be given to me, as well as the lessee. A fine may be assessed against the lessee(s), but if the fine is not paid by the lessee(s) within ten (10) days of receipt of the notice, I will be required to pay the fine. Unpaid fines shall constitute a lien against the Unit.

I understand that lessee violations of Association By-laws and Rules and Regulations are grounds for eviction of the tenant. The Lease Agreement will specify that, while landlords are responsible for ensuring that their tenants obey the rules, the Board of Managers has the authority to evict problem tenants if the landlord fails to do so. The Board may assess the eviction cost to me.

I understand that when there is a violation by a lessee or a person living with the lessee of the Master Deed, By-laws, or Rules and Regulations for which a fine is imposed, notice of the violation will be given to me, as well as the lessee. A fine may be assessed against the lessee(s), but if the fine is not paid by the lessee(s) within ten (10) days of receipt of the notice, I will be required to pay the fine. Unpaid fines shall constitute a lien against the Unit.

I understand that lessee violations of Association By-laws and Rules and Regulations are grounds for eviction of the tenant. The Lease Agreement will specify that, while landlords are responsible for ensuring that their tenants obey the rules, the Board of Managers has the authority to evict problem tenants if the landlord fails to do so. The Board may assess the eviction cost to me.

The information that I provide on this form is truthful and accurate. Any false statements contained in this document may result in the revocation of a Hardship Leasing Permit.

Should my request for family exemption be granted, I understand and agree to the following provisions governing the leasing of my Unit:

I understand that leasing is defined as regular, exclusive occupancy of a Unit by any person other than the Owner. Occupancy by a roommate of an Owner who occupies the Unit as such Owner's primary resident shall not constitute leasing.

I will submit a revised Family Exemption Registration form annually each January.

I understand that a Lease Agreement is still required if my request for family exemption is granted, even if I do not require rent from the tenant(s).

I shall submit an initial Lessee Registration form and a copy of the proposed Lease Agreement to the Board of Managers no more than three (3) months and no less than ten (10) business days prior to executing or extending a lease. Thereafter, I will submit an updated Lessee Registration form and a current copy of the Lease Agreement to the Board of Managers each time a Lease Agreement is executed or extended.

I understand that Units may be leased only in their entirety. No fraction or portion may be leased without prior written Board of Managers approval.

I understand that there can be no subleasing of my Unit or assignment of leases without prior written Board of Managers approval.

I understand that all leases must be for an initial term of not less than one (1) year, except with written Board of Managers approval.

If applicable, within seven (7) days of the execution of a Lease Agreement, I will provide a copy to the Board of Managers.

I will provide the lessee(s) copies of the Master Deed, By-laws, and Rules and Regulations, together with all amendments. I understand that I shall cause all occupants of my Unit to comply with all rules contained in these documents, and I shall be responsible for all violations and losses to the Common Elements or Limited Common Elements caused by such occupants, notwithstanding the fact that such occupants of a Unit are fully liable.

I understand that my failure to adhere to these requirements may result in monetary penalties as determined by the Board of Managers. The Board of Managers may also suspend my ability to lease my Unit for a period of twelve (12) months for failure to adhere to these requirements.
